Important Information Regarding Balance Transfers to Your OTCU Visa Credit Card Account

Consult your Oshkosh Truck Credit Union (OTCU) Visa Platinum / Visa Platinum Rewards / Visa Platinum Secured / Visa Platinum Student/Starter Credit Cardholder Agreement (Cardholder Agreement) for complete details regarding rates, terms, and repayment conditions for your credit card account. If you choose to transfer balances to your OTCU Visa Platinum Credit Card account, the terms and conditions for Balance Transfers apply, as detailed in your Cardholder Agreement and outlined below. The cardholder requesting the Balance Transfer must also be on the account at the lender to whom the payment is being made.

Important Information Regarding <u>Promotional APR</u> For Balance Transfers	
Offer Details:	Receive 2.99% APR on balance transfers made from 2/1/19 thru 4/30/19. Balance accumulated during this time will stay at 2.99% APR for 12 months. After this promotional offer ends, your standard non-variable APR for balance transfers will be applied to any unpaid promotional balances, and will range from 8.95% to 17.95%. Your standard APR is determined based on your credit worthiness at the time you opened your account.
Duration:	Each balance transfer completed by this date will receive the promotional APR for 12 billing cycles.
Fee:	None. There is no fee to transfer your balances.

Effect of Balance Transfer On Grace Period for Purchases and APR: We will not charge you any interest on purchases if you pay your entire balance by the due date each month. If you accept this promotional offer you will lose your grace period on new purchases unless you pay the entire statement balance, including the total amount subject to the promotional APR, by the payment due date. If you do not pay your balance in full, future purchases, cash advances, and any other balance transfer not subject to a promotional rate will be charged your standard APR as disclosed at the time you opened your account, until such time as your balance is paid in full.

Balance Transfer Requests made and completed via this form or by phone will be treated as a balance transfer and will be subject to the terms of the Cardholder Agreement that apply to Balance Transfers. Balance Transfer requests to "cash," to you, to other accounts at OTCU, or to persons other than a lending institution are not permitted; an individual is not considered a lending institution. Balance Transfer Payments may only be made to lenders with a United States address. If you have a dispute with a creditor and pay that balance by a Balance Transfer with us, you may lose certain dispute rights. Balance Transfers to an OTCU Visa Platinum Rewards Credit Card account are not eligible to earn Reward Points. Convenience checks, statement checks, cash advances, and ATM withdrawals are considered cash advances and do not qualify for the promotional APR.

Balance Transfers can only be made to current, active OTCU Visa Platinum Credit Card accounts. Minimum Transfer amount: \$100. Transfers of balances will reduce your available credit limit just like any other transaction. A Balance Transfer will be processed by a check drawn on the account and made payable by us directly to the other credit card issuer(s) or other lenders(s). If a portion of a requested Balance Transfer will exceed your available credit limit, we may process a partial Balance Transfer up to your available credit limit or may decline to process any full or partial balance transfer.

Once your Balance Transfer Request has been received and approved by OTCU, either an electronic payment or a check will be sent to each company you list and will include your name plus the account(s) and amount(s) paid. Furthermore, you will receive a confirmation from OTCU on the account(s) and amount(s) paid, and you will see a payment for the amount transferred on the statement from your other account(s). Please allow up to six (6) weeks for the entire transfer process to be completed.

OTCU shall not have any liability for not transferring any balance which exceeds your credit limit or if you are past due on your OTCU Visa Platinum/Platinum Rewards Credit Card account. Payments and transfers of balances are only available for OTCU Visa Platinum/Platinum Rewards Credit Card accounts in good standing and are contingent upon approval by OTCU. In addition OTCU is not liable or responsible for any late fees, finance charges, disputed amounts, or other fees by the other lender in the event: you do not continue to make minimum payments until the transferred amount posts to the account with the other lender; your transfer request is not approved by OTCU; the transfer payment to the other lender is late or lost.

Balance Transfer Requests returned to and received by OTCU cannot be canceled.
